

Februar forkælelser og en enkelt aften i marts.
February indulgence and a evening in March.

Uge 7:

Efter en vinterpause er vores japanske morgenmad
"Choushoku" tilbage, men i frokostformen "Chushoku".

En anden klassiker vi gæsteoptræder med i denne uge er
vores Biksemad.

Apropos livretter, tilføjer vi pandekager med is som
"dagens kage" i uge 7, godt til børn i alle højder.

*Another dish is reappearing for one week only;
